ARAHAN KEPADA PENYEMAK **INSTRUCTION TO REVIEWER**

1. Sediakan ulasan terperinci berhubung kualiti Cadangan Penyelidikan, khususnya tentang kekuatan dan/atau kelemahan serta cadangan penambahbaikan.
Provide detailed comments on the quality of Research Proposal, particularly its strengths and/or weaknesses and suggestion for improvements.
2. Sila pastikan laporan tersebut ditaip atau ditulis dengan kemas dan diperakui. Anda boleh sertakan helaian tambahan jika ruang yang ada tidak mencukupi. Jika perlu, sila dapatkan salinan lembut borang laporan semakan daripada pejabat entiti akademik masing-masing atau boleh dimuat turun daripada laman web Pusat Pengajian Siswazah.
Kindly ensure that the report is neatly typed or written and acknowledged. You may attach additional sheets if the provided space is insufficient. If necessary, kindly request for a soft copy of the form from the office of respective academic entity or can be downloaded from the Centre of Postgraduate Studies' website.
3. Sila serahkan Laporan Semakan ke pejabat entiti akademik masing-masing **tidak lewat daripada tiga (3) hari** sebelum tarikh Penilaian Cadangan Penyelidikan.
*Kindly submit the Review Report to the office of respective academic entity **not later than three (3) days** prior to the date of Proposal Defense.*

KUALITI CADANGAN PENYELIDIKAN
QUALITY OF RESEARCH PROPOSAL

1. TAJUK
THE TITLE

Nilaiakan kesesuaian tajuk penyelidikan/ tesis. Kata kunci dalam tajuk wajib menggambarkan dengan tepat bidang, pernyataan masalah dan persoalan/ objektif penyelidikan.

Evaluate the appropriateness of the title of research/ thesis. Keywords in the title must accurately reflect the field of study, problem statement and research questions/objectives.

**5. KAJIAN LITERATUR
LITERATURE REVIEW**

Nilaiakan sama ada literatur yang berkaitan dibincang secara kritikal untuk menyokong topik/ masalah/ objektif kajian, dan bukannya sekadar meringkas dan melaporkan literatur. Bahagian ini sepatutnya menyediakan ulasan kritikal terhadap kajian lepas yang berkaitan dengan topik kajian untuk menjelaskan jurang literatur, teori tunjang, konsep/ pemboleh ubah berkaitan topik dan hubungan antaranya, hipotesis atau proposisi (jika berkaitan) dan menawarkan kerangka teori/ konsep. Kecukupan dan kekinian literature mesti diambil kira.

Evaluate whether or not relevant literature is critically discussed to support research topic/ problem/ objectives, instead of summarising or reporting literature only. This part should provide critical review about past studies related to the topic under investigation to show gaps in the literature, provide underpinning theory, explain related concepts/ variables to the topic and their relationship, hypotheses or proposition (if applicable); and propose theoretical/ conceptual framework. Adequacy and recentness of literature must be considered.
